

PRAYER GUIDE

MARCH 2026

At The Rock we support several missionaries and their families. Below you will find their testimonies and prayer requests that they wanted to share with you, their church family. We invite you to celebrate and pray with us all month long.

**ELIZABETH
RODRIGUEZ**
(NAME REDACTED)

Making disciples in India

Praise Reports: The launch date has finally arrived, and I am headed to India! Praise God! God orchestrates people who have come alongside to meet EVERY need! From who will keep my car for me, to who is willing to store my belongings I cannot take with me. Just the way the Lord has been ministering that He continues to provide extravagantly!

Prayer Requests: Please pray for protection and favor with governing authorities to be able to complete this initial assignment and for multiple re-entry into the nation.

**KEVIN &
JESSICA
HARKINS**

Training leaders and making disciples in the South Pacific

Praise Reports: We praise the Lord for the four new young adult leaders who are now partnering with our staff to lead different parts of our Jesus Way community. We are so excited for what they bring to the table as well as how this will train them to be confident ministers in the future. We just began our online training and preparation for the next Missions Immersion class and we're so excited that two of our students are from Sri Lanka! These are the first of many to come who are international.

Prayer Requests: Please join us in praying that the Lord opens doors of favor for our two new Missions Immersion students from Sri Lanka who need a 9 month visa for joining us in NZ. Please pray for favor over Danece and David Adams as they build relationships with churches, ministries and students in order to find open doors into public schools so they can launch more Jesus Clubs. Please pray with us for the opportunity to train and equip more young adults here in Nelson to be disciple makers of disciple makers. We're believing for more!

**CRISTAL
DURAN**

Making disciples in Fiji

Praise Reports: I'll be heading out on March 17!

Prayer Requests: Please pray with me for safe travels and that I arrive at my destination safely and without delays or complications, for the Lord to go before me, making every crooked path straight and ordering every step, for peace over my family, for financial provision, for divine favor with every person I encounter, for health, strength, wisdom, discernment in decisions ... and open doors from God that no one can shut!

.....

**YASEER &
MONIQUE
HANDALL**

Discipling people in Native American Reservations across the United States

Praise Reports: We recently had a great Native Young Adults event, and we have an Emotionally Healthy Bible study being led on the Soboba reservation by Ahaaron and Krystal. Yaseer also got certified as a Coffee Technician, and is preparing to teach natives the skills he learned.

Prayer Requests: Please pray for the camps we are planning—the theme is Joseph's Triumphs Gen 37. We are also taking a high school team to Arizona for a missions trip. Please also pray for Monique's year ahead as she teaches future missionaries.

.....

**BRIAN &
STACEY
(PSEUDONYM)**

Discipling people in the Middle East

Praise Reports: Due to security risks and heavy surveillance, communication is limited to protect local believers, but the work continues with signs of spiritual breakthrough and a long-term commitment to remain despite real challenges. Your support is essential through prayer and giving—thank you for playing a vital role in this amazing harvest! The children are doing well overall—growing, learning, and enjoying school and activities—and prayers are welcomed for their faith, protection, confidence, and friendships.

Prayer Requests: Please pray for us as their parents. We need God's wisdom every day as we raise our kids. We acknowledge that apart from Christ, we can do nothing, and we don't have all the training, experience, and abilities to parent well on our own. It is a challenge as we seek to stay focused, in a cross-cultural setting, both on parenting and on the work here. Please pray for grace and wisdom as we do this, for we do not want to neglect either.

**TIMOTHY &
BARBARA
ODOM**

Making disciples among international students

Praise Reports: We have outgrown our home for International Student Ministries, and a local church has offered their youth room and kitchen. They've also offered people to help with the food preparation. We also have another couple who have experience with college ministries, and they'll be joining our team. God is preparing us for something big with the number of these students.

Prayer Requests: Tim and I have been asked to be interim pastors at a small country church while they look for a permanent pastor. It's an interdenominational church, and we feel led by the Lord to walk with them temporarily. We're asking for wisdom in leading the people gently and teaching the uncompromised Word.

.....

**ELENA
RAZO**

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: I attended the Jesus Disciple conference last month at The Rock—it was a refreshing and blessed time visiting my church family! Our leadership team has started Territory 1 of Jesus Disciple, and we are looking forward to what God will do. Also, on February 14th, the entire congregation celebrated the love of Jesus in our hearts with a delicious Mexican dinner and games for the children.

Prayer Requests: Please pray that we see fruit that will remain as the leadership team runs with Jesus Disciple and launches it to our congregations inside and outside the prison as well as at Amaar, the rehabilitation center.

.....

**CHRIS &
ALISHA
BOWLES**

Making disciples in West Australia

Praise Reports: We had the opportunity to go to a family camp out here where we're able to start building connections with people from another church.

Prayer Requests: Please pray that we would start building more connections and relationships with the people who work with the NextGen in Western Australia. And that through those relationships we can bring unity to the NextGen team.

**JOHN &
DEBBIE
BOOKER**

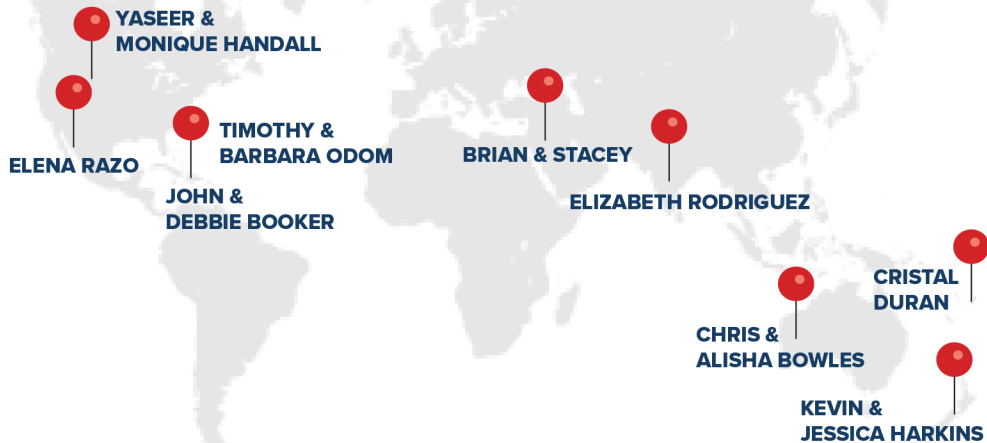

Making disciples in the Caribbean

Praise Reports: We've had a great start to 2026 with the launch of Biz Basics in Haiti in preparation for the opening of Jean & MarieLyne's new community Store. Jesus Disciple/DBS Kids Groups are also growing and excited!

Prayer Requests: Please pray for a successful Regional Medical Clinic in March, for Jesus Disciple/DBS groups to meet faithfully in their weekly and monthly meetings, and for peace and safety in Cuba and Haiti.

Is God calling you to serve long-term on the mission field? Find out what others are doing, and connect with our team.

PRAYER

Father, we lift up our **Rock Missions** family to you. Cover them with Your protection (2 Timothy 4:18; Psalm 91:4). Let angels guard their steps and Your presence go before them (Psalm 34:7). Provide for all their needs (Philippians 4:19). Bless them with divine favor (Psalm 5:12; Revelation 3:8). Raise up laborers to join them (Luke 10:2). Strengthen them for the harvest (Psalm 126:5; Isaiah 55:11). Use them mightily for Your glory. In Jesus' name, Amen.
