

PRAYER GUIDE

JUNE 2026

We support several workers and their families. Below you will find their testimonies and prayer requests that they wanted to share with you. We invite you to celebrate and pray with us.

**KEVIN &
JESSICA
HARKINS**

Training leaders and making disciples in the South Pacific

Praise Reports: We've seen an increase in numbers and hunger of the students at the Jesus Club we support. We've seen multiple young adults being filled with the Holy Spirit this past month. More young adults are starting Bible studies using what they are learning with us at Jesus Way.

Prayer Requests: For God to continue to increase the hunger and passion for His Word and Spirit among the next generation in New Zealand. God's grace and protection to be over Jesus Way as the Harkins are traveling across the USA. For God to bring in the 2027 class of young adults into the Missions Immersion program.

**CHRIS &
ALISHA
BOWLES**

Making disciples in West Australia

Praise Reports: We have 3 new young adult leaders we are now mentoring and are praying for a person of peace to begin a Jesus Disciple group in their respective towns! There has been new doors open to us as churches outside of Foursquare have been inviting us to meet with us and allowing us to build bridges into new communities.

Prayer Requests: Please pray for new financial partners. We have discovered that we'll need an increase to meet to meet immigration standards and are believing for God to close that gap quickly. Closing that gap will allow us to pursue the next round of our visa applications moving forward.

Scan the QR codes to support our workers through their personal giving links.

**BRIAN &
STACEY**

Discipling people in the Middle East

Praise Reports: God moving in quiet but powerful ways. Relationships deepening & hearts opening. Lives impacted thru daily conversations & kindness. Kids thriving & growing in school. Thankful for peace & stability despite regional tension. Grateful for prayers, encouragement, generosity, provision, & faithful partners.

Prayer Requests: Renewed & increased financial support urgently needed. Pray for new & revitalized ministry partners. Wisdom, protection, discernment, & stronger faith amid spiritual opposition. Favor in relationships leading people toward Jesus. Health, endurance, unity, & peace for family. Safety for all impacted by regional conflict & unrest.

**ELENA
RAZO**

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: The Women's Ministry celebrated Mothers Day with a special Luncheon. They had powerful testimonies, as well as heart-breaking stories and victories! The Men's Ministry had their monthly vigil, it was a time of Worship, Prayer and Intercession. It ended at 6:00 AM the following morning with a delicious menudo!

Prayer Requests: Our Church is preparing for construction in the near future and is praying for a miracle, a donation of a pickup truck!

PERSPECTIVES ONLINE COURSE

What is Perspectives?

Perspectives is a widely respected, comprehensive, and scriptural missions study course with over **250,000 alumni**. The typical online course takes **18 weeks** to complete. Receiving a **Perspectives Certificate of Completion is required for all Foursquare Missions International (FMI) Missions Workers**, and we recommend it for all who feel called to serve as an in-country Missions Worker.

Fall 2026 Perspectives Online Class Information

Perspectives Online Asynchronous Classes – Students work through video instruction, assignments, discussions, and project work on a weekly rhythm, but they do not attend a required weekly live class.

There will be an additional virtual meeting each week if the student is part of a **Rock Perspectives Cohort**.

The Perspectives Online Program offers optional virtual sessions throughout the class, including orientation, section reviews, and an Integrative Project help session.

The fifth edition online classes have been significantly revised and include:

- More spiritually reflective homework
- A redesigned project structure
- Improved alignment with the current Online Program
- A more intentional student experience

Online Class Rhythm

Students receive access to the class about two weeks before the official start date so they can learn the Moodle platform and orient themselves. Once the class begins:

- A new lesson begins on Monday of each week
- Discussion posts are due Thursday; responses are due on Sunday
- Homework is due Sunday
- Video instruction can be watched anytime during the week
- Students attend optional virtual sessions as they're offered

This allows students flexibility while still keeping the class moving together.

The Rock Network Perspectives Cohort

For those who would like to attend an online class with other Rock Network members and friends, we are planning to use the **August 10 class** to assemble a Rock Network cohort. If you'd like to be part of this cohort, please **1) use the link below to register for the August 10 class, and 2) email Jim Scott at jmissions@solidlives.com** to let us know. The Rock Network Cohort will schedule a weekly time to meet together online.

August 10, 2026 Class Start

The Fall 2026 online classes:

- Are 5th edition classes
- Are 18 weeks long
- Include two breaks
- Include a dedicated week for the Integrative Project after Lesson 15

All work is due **December 13**.

Is God calling you to serve long-term on the harvest field? Discover the next steps and connect with our team.

PRAYER

Father, we lift up our workers family to You. Cover them with Your protection (2 Timothy 4:18; Psalm 91:4). Let angels guard their steps and Your presence go before them (Psalm 34:7). Provide for all their needs (Philippians 4:19). Bless them with divine favor (Psalm 5:12; Revelation 3:8). Raise up laborers to join them (Luke 10:2). Strengthen them for the harvest (Psalm 126:5; Isaiah 55:11). Use them mightily for Your glory. In Jesus' name, Amen.
