KEVIN & JESSICA HARKINS
Training leaders and making disciples in the South Pacific

Praise Reports: The Harkins and Andrew have arrived back home safely in New Zealand, and the Harkins are so grateful for the love and support they had while in the USA. The Lord also blessed their house church under Jennifer’s leadership while we were away.

Prayer Requests: Pray for the Lord to lead our upcoming team of young adults with wisdom and open doors for jobs and access points in the Nelson community. Pray for Destiny as she prepares to return to serve with us and is going through fundraising and the visa process. Please also pray the Lord would lead us with wisdom as we prepare to lead our house church into a new season of intentionality with growth and discipleship.

Praise Reports: Our son Aharon & Krystal have a great ministry on the Soboba reservation with animals teaching youth about dealing with trauma. We attended a wedding of one of our spiritual daughters. And we also had a great family fair on the Hopi reservation, opening doors with key leaders in the tribe.

Prayer Requests: Please pray for the upcoming FMI Missions Camp where we will serve and minister. Pray with us for local young adults on the Crow Reservation to intern at the coffee shop. We are also preparing for our Native Family Camp.

YASEER & MONIQUE HANDALL
Discipling people in Native American Reservations across the United States

ELENA RAZO
Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: We hosted a fruitful and joyous event for marriages this past Saturday. The exterior of the church has been painted. Four churches in the prison are going strong, and last week 15 inmates were baptized!

Prayer Requests: Please pray for a larger and more reliable minivan to transport part congregation members from downtown to church campus and back.

MIDDLE EAST

Reaching people in the Middle East
(names redacted)

Praise Reports: We were able to find work closer to home which is a blessing, meaning more time with family and community. We've also made some great ministry connections everywhere we go, and God is opening doors, including a recent holiday where we were able to minister to others.

Prayer Requests: Pray for us as we face principalities and powers in this area—the light that we carry is definitely noticed, which brings attacks. We value your prayer for us. Please also pray for marriages for all of God's workers in this area. Please pray for us and our family, against discouragement, and for boldness everywhere we go, and for the Lord's abundant provision.

JOHN & DEBBIE BOOKER
Making disciples in the Caribbean

Praise Reports: After a successful presentation of our new discipleship tool Jesus Disciple in Cuba, they are starting to use it to reach the lost and for disciple-making for Foursquare Cuba!

Prayer Requests: Please pray for security and protection for the Church in Haiti. Pray for revival to break out in the nation, and for church leaders to have wisdom to minister in these tough times. Pray for Pastor Mayra & Foursquare Cuba as they navigate the government regulations and restrictions, and special prayer for Sonia Elejarde who is recovering from a stroke. Please also pray for us as we coordinate from the USA, strength for John's body, and wisdom for the Kingdom work we do.

TIMOTHY & BARBARA ODOM

Making disciples in the Caribbean

Praise Reports: We were able to connect with family, friends, churches and partners in AZ and CA. A much needed time for anointing and appointing. We have also been given the opportunity to train a few people in Children's Ministry!

Prayer Requests: Please pray for the students we minister to who are working and participating in internships. Pray for the few students who remain in Clarksville as we gather them for fellowship and Bible Study. Pray also for us as we minister at an upcoming junior high camp, reach university students on campuses, and make disciples using Jesus Disciple.

PRAYER

Heavenly Father, we lift up our Rock Missions family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).

We ask that you would continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). We ask this in the mighty name of Jesus—Amen!
