Praise Reports: Pastor Rafael Corona, after serving as Co-Pastor inside the Prison for 8 years and 10 years at La Roca de Cristo outside the Prison, is getting ready to launch La Roca de Cristo in Empalme. It is a nearby town about twenty minutes away from Guaymas. We serve a good and faithful God!! We also continue ministering at AMAAR, a Drug Rehabilitation home for young Boys and Girls with weekly Services and Discipleship. And La Roca de Cristo at the prison continues to go from glory to glory!! Praise God!

Prayer Requests: Please Pray that The Lord will give us wisdom and resources for the new satellite Church, La Roca de Cristo in Empalme! Please also pray that The Lord will continue to provide all that is needed to expand the Kingdom of God in Guaymas, neighboring cities and wherever else the Holy Spirit leads.

KEVIN & JESSICA HARKINS
Training leaders and making disciples in the South Pacific

Praise Reports: Kevin and Jessica have officially moved into a new house that the Lord has blessed them with. We are seeing great synergy in our house church towards evangelism and discipleship as well as several salvations recently. The Lord has also been leading us with a fresh vision for a new season of ministry ahead that we are very excited for which will better train and release more young adults to launch more Jesus Disciple groups. We have started to see growth in our movement as our team has started their gatherings on their own.

Prayer Requests: Pray for the Lord to lead us with wisdom in bringing about the fresh new vision He has given us, for more open doors into the community where we can be light and salt for Jesus as well as relationships with people of peace whom we can disciple, and for doors to continue to open to reach more youth where we can launch Jesus Clubs. Please also pray blessing over our two new Missions Immersion students who will be joining us in mid-February. That their travel would go well, and they would be blessed as they settle into a new life of ministry In Nelson.

YASEER & MONIQUE HANDALL
Discipling people in Native American Reservations across the United States

Praise Reports: The 2025 planning for the year includes three revival tent tours in reservations in Montana. The first training at the Hopi High School went great. We are beginning to get speakers for our camps.

Prayer Requests: Pray for Pastor Lori and the Soboba Reservation. Their granddaughter was in a fatal car accident. Please also pray for the coffee shop's new barista, Isabel: for safety and effective ministry.

MIDDLE EAST

Reaching people in the Middle East
(names redacted)

Praise Reports: We have turned into 2025 and have a renewed sense of hope and excitement about some opportunities in front of us. We believe that God has amazing plans for this coming year, and we invite you to join us in prayer as we trust Him to lead, provide, and transform lives in the days ahead.

Prayer Requests: Pray that God would open the eyes of those in our region to recognize their need for Jesus Christ, and for effective ministry everywhere we go. Pray also for our family's health and protection, provision financially, and for the well-being of our children and their ability to thrive in their daily lives. Please also join us in praying for favor and wisdom as we navigate opportunities, for strategic relationships to be built, for open doors to share the Gospel, and that the Lord would guide us in our outreach efforts. Thank you for your faithful prayers and encouragement. Your partnership uplifts us and reminds us that we are not alone in this mission.

TIMOTHY & BARBARA ODOM

Making disciples in the Caribbean

Praise Reports: One of our Haitian students, Americus, was in an accident on Jan 10th when he was returning from his grandmother's. He was left in an empty parking lot in a snowstorm when the Lord brought us to his memory. We got him a room for the night, rented a trailer, and went to help him. He was able to stay with us and the Bookers in Memphis, and attend Memphis Tabernacle, pastored by David Dirmann, where the Lord spoke to him in detail about His plan and His purpose for Americus. We're so grateful for God's protection!

Prayer Requests: Please pray for the students we minister to, that they would have more focus on their spiritual growth and daily disciplines in the Word and prayer, and that they will not be distracted by temptations they face from non-believers and believers as well. Please pray for effective and fruitful ministry for us, for more one-on-one time with each student we minister to, that those we reach would learn from Jesus and the Word, and that God would open doors for those who need visas, especially for safety.

JOHN & DEBBIE BOOKER

Making disciples in the Caribbean

Praise Reports: For Haiti, we have recently joined a missionary care team led by our friends Richard and Becky Casteel and are excited to work with some younger missionaries and imparting wisdom. We will also be going to Cuba in November 2025 to take Jesus Disciple and outreach to these wonderful but isolated people and churches.

Prayer Requests: Please pray for all that we are doing in to help single moms, kids and families, and immigrants. Please also pray for John's recovery with physical therapy—that God would restore all that was lost. Also, for health, provision, favor, wisdom, and open doors for effective ministry.

Is God calling you
to serve long-term
on the mission field?
Join us for a missions
connection gathering!

Heavenly Father, we lift up our **Rock Missions** family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20). Continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). In Jesus' name—Amen!
