

At The Rock we support several missionaries and their families. Below you will find their testimonies and prayer requests that they wanted to share with **you**, their church family. We invite you to celebrate and pray with us all month long. To find out more, visit therockmissions.com

KEVIN & JESSICA HARKINS
Training leaders and making disciples in the South Pacific

Praise Reports: The Harkins and Andrew have arrived back home safely in New Zealand! The Harkins are very grateful for the love and support from everyone during their visit to the States! The Lord blessed our house church with great community and deeper relationships under Jennifer’s leadership while the Harkins were away. Andrew and Jennifer have been blessed with a great house where they can disciple young adults. The young adults in our house church are continuing to grow in their commitment and dedication to discipleship.

Prayer Requests: Pray for the Lord to lead our upcoming team of young adults with wisdom and open doors for jobs and access points in the Nelson community. Pray that He would lead us with wisdom as we prepare our hearts for reaching more young adults and to lead our house church into a new season of intentionality with growth and discipleship. For blessing over the new Missions Immersion (MI) Team as they build relationships with the house church and their housemates. For the right jobs for the new MI Team where they can share Jesus with great effect. Now that Destiny is back in NZ, please pray that the Lord will continue to open doors for her as she partners with us. Please pray for comfort and strength for Andrew and his family during their time of grief as his mother recently passed away.

Praise Reports: The FMI Missions Camp was anointed, and Missions workers from around the world were blessed. At Kids Camp on the reservation, we taught elementary children about Jesus, answering many hard questions using the Bible as truth. The Native Family Camp is now full!

Prayer Requests: Continue to pray for the intern at the coffee shop, for Monique who will be teaching a workshop for young adults at a retreat in Panama, and for the upcoming Native Family Camp—that the camp helps in restoring the lives of many families.

YASEER & MONIQUE HANDALL
Discipling people in Native American Reservations across the United States

TIMOTHY & BARBARA ODOM
Making disciples in the Caribbean

Praise Reports: We had an incredible meeting with leaders at the university and have given us permission to come on campus any time of day to meet with the students and pray with them! The athletic director asked if Tim would drive the bus for some of the teams as well—God is making a way! Tim has also been receiving good reports from the doctors.

Prayer Requests: We have two students coming to stay with us for the next three weeks. We are praying that our morning devotions with them will turn into them having morning devotions when they move to the dorms. Pray for the students as they return to school in August. For their safety and their spiritual growth through Jesus Disciple.

MIDDLE EAST

Reaching people in the Middle East
(names redacted)

Praise Reports: There are so many moving pieces in the Arab Peninsula. Our team is part of a strong, Spirit-filled team who loves the Lord and loves the Arab people. They are praying and worshiping together weekly and seeking God for what He wants to do there—there is a sense of expectation of harvest and revival.

Prayer Requests: Join us in praying against strongholds and principalities over the Arab Peninsula, specifically against post-modernism, mammon, excess, the spirit of Islam, and envy. These strongholds are pervasive in the local Arab culture. Pray for favor in work to build a network of clients—and that everything they put their hands to will prosper. Pray for their home assistant's visa to be resolved quickly, for God to continue to open conversations as they engage people in the workplace, and mostly for God's guidance, blessing and favor in all they do.

JOHN & DEBBIE BOOKER
Making disciples in the Caribbean

Praise Reports: Praise God that more security is coming to Haiti—we are praying and hopeful. We are also excited to continue to work toward making more disciples in Haiti and Cuba.

Prayer Requests: Please pray for Haiti, for God's intervention along with success for the Multinational forces as they re-establish safe travel and reopen hospitals and supply routes to Haiti. Pray for wisdom for Pastor Bellande and the Executive Council. Please also pray for us as we prepare to take a Jesus Disciple team to Cuba this November, for Pastor Mayra as she continues to use and train people in Jesus Disciple, and for a revival of prayer and disciple-making there. Please also pray for John's full recovery as he has a neurosurgical procedure to aid in mobility.

ELENA RAZO

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: Five people were baptized in the new baptistry in La Roca de Cristo—it was a joyous time! Water baptisms inside the prison have been going on for the last ten years, and new disciples are constantly being raised up.

Prayer Requests: Please pray for a new minivan to transport part of the congregation to and from church. Pray for the Lord to give us wisdom and God strategies to evangelize and grow the church and pray to the Lord of the harvest for laborers to come to Guaymas. Also, for comfort and strength for the Razo family due to the sudden passing of Pastor Elena's great-granddaughter Penelope. Pray for her granddaughter Alexis, her daughter Charlene, Penelope's dad Ronny and stepfather Daniel.

PRAYER

Heavenly Father, we lift up our Rock Missions family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).

We ask that you would continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). We ask this in the mighty name of Jesus—Amen!
