

At The Rock we support several missionaries and their families. Below you will find their testimonies and prayer requests that they wanted to share with **you**, their church family. We invite you to celebrate and pray with us all month long. To find out more, visit [therockmissions.com](http://therockmissions.com)

**KEVIN & JESSICA HARKINS**  
*Training leaders and making disciples in the South Pacific*

**Praise Reports:** Our new Mission Immersion (MI) Team (Keith, Jeremy and Hayley) have arrived and are already such a blessing to our community. We had an amazing winter retreat with our house church and MI Team where God encouraged and strengthened our community of young adults. We are seeing great synergy in our house church towards evangelism and discipleship.

**Prayer Requests:** Pray that the Lord would continue to build confidence in our young adults for being disciple makers as we go through Jesus Disciple for the first time with most of them, for more open doors into the community where we can be salt and light for Jesus as well as relationships with people of peace whom we can disciple, and for continued direction in how to grow as a community of disciple makers.

**JOHN & DEBBIE BOOKER**  
*Making disciples in the Caribbean*

**Praise Reports:** In Haiti, the Multinational Security Forces (MSF) are being deployed from their base in Port Au Prince, Haiti, and are taking back strategic highways and 'choke points' from gang control to free up travel around the nation. This 2-3 year battle will destroy gang control for new elections scheduled for 2025. We are all praying. In Cuba, after a successful presentation of Jesus Disciple, they are taking it forward using printed materials such as outlines, workbook, bookmarks, and meeting materials to get started for a time of reaching the lost and disciple-making for Foursquare Cuba.

**Prayer Requests:** In Haiti we are praying for MSF success, and a new government. Please also pray for schools to be reopened, that bad gang activity would stop, for revival from the Lord to heal the land, and for Foursquare Haiti to step up and lead the way in prayer. In Cuba pray for Sonia Elejarde who is recovering from a stroke, for fall training to go well to continue with Jesus Disciple, for open doors and for our health, provision and favor.

**TIMOTHY & BARBARA ODOM**  
*Making disciples in the Caribbean*

**Praise Reports:** Tim is strong and taking good courage as he faces medical things, Barb started a ladies Bible study in her home, and we've had a wonderful time with two students we are discipling.

**Prayer Requests:** Pray for the students who go back to school Aug 23-25, pray for increased influence and a Holy Spirit-led opening Bible Study, for opportunities to serve students on campus, for spiritual breakthrough with new students, and for breakthrough as we minister to pastor's kids who are running from their parents and God.

## MIDDLE EAST

Reaching people in the Middle East  
(names redacted)

**Praise Reports:** There are so many moving pieces in the Arab Peninsula. Our team is part of a strong, Spirit-filled team who loves the Lord and loves the Arab people. They are praying and worshipping together weekly and seeking God for what He wants to do there—there is a sense of expectation of harvest and revival.

**Prayer Requests:** Join us in praying against strongholds and principalities over the Arab Peninsula, specifically against post-modernism, mammon, excess, the spirit of Islam, and envy. These strongholds are pervasive in the local Arab culture. Pray for favor in work to build a network of clients—and that everything they put their hands to will prosper. Pray for their home assistant’s visa to be resolved quickly, for God to continue to open conversations as they engage people in the workplace, and mostly for God’s guidance, blessing and favor in all they do.

## YASEER & MONIQUE HANDALL

Discipling people in Native American Reservations across the United States

**Praise Reports:** We had an anointed time at the young adults retreat in Panama and made connections with native ministries in Brazil and Panama. The Native Family Camp was our best camp yet! We were also able to host Mongolian pastors on The Crow Reservation.

**Prayer Requests:** Pray for our son Aidan and wife Savannah, who are expecting their second baby. Also pray for the Young Adults Arise Camp (Sept 27–29). Please also spread the word—it is a FREE ministry camp—more information at [www.arisenativeamericans.com](http://www.arisenativeamericans.com).

## ELENA RAZO

Leading ministry in a prison and a local church in Guaymas, Mexico

**Praise Reports:** We had some great events in August, a women’s event called “Proverbs 31:26” with Pastor Margarita Cota from the Church of God, and a men’s event with missionary Andrei Seyro from the Ukranian church in Seattle. They were both powerful times.

**Prayer Requests:** Pray with us that the Lord will provide a mini-van to bring church members from downtown Guaymas to the church and back. For with God nothing shall be impossible!

## PRAYER

*Heavenly Father, we lift up our Rock Missions family to you right now. We pray that you would provide all that they need (Philippians 4:19) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).*

*We ask that you would continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). We ask this in the mighty name of Jesus—Amen!*
