KEVIN & JESSICA HARKINS

Training leaders and making disciples in the South Pacific

Praise Reports: The Women Empowered Online Conference was launched as a blessing for women throughout the South Pacific and the world. Our house church is growing and equipping young adults for launching their own in the future. Also, our Missions Immersion Interns are starting to make impactful relationships in their home and workplaces.

Prayer Requests: Please pray with us for Jessica's upcoming trips to Perth and Auckland as she assists Pastors Jerry and Kimberly in spreading the word about Jesus Disciple and additionally leads another Women Empowered event in Auckland. Pray that more people will join us as we launch Jesus Disciple in our house church and that those who do will come alive in being a disciple who makes disciples. Pray for Andrew and Jennifer as they continue to find victory in getting settled in Nelson with jobs, housing and community.

YASEER & MONIQUE HANDALL

Discipling people in Native American Reservations across the United States

Praise Reports: Our community of Angelus Oaks was so blessed to have a mission team from Washington clear the road and stream from debris, cut three large pieces of wood, make a memorial with a cross, and have dinner. There was grieving and healing, and Jesus was there. Also, the ARISE Young Adult's Camp served as a Missions training camp this year. Many who attended said it was one their favorite ARISE camps, and many had an encounter with the Holy Spirit as they praised, prayed and learned.

Prayer Requests: Please pray with us for students to join our partner ministry: One Heart Warriors. For the first time a Soboba native man by the name of Phillip will be attending—please intercede for his life to be delivered as he is being disciplined. Pray that our yearly Friendsgiving with the Native American boarding school students has all the food and fellowship that the kids need. Many of them just need to be loved.

ELENA RAZO

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: The new director of the prison is opening more doors so the prison ministry can share the gospel. That is a miracle in itself. Also Eduardo, a house church leader—who was previously an inmate that was born again and disciplined while in prison—has been released and has started a house church in the same home that was previously used by the drug cartels. Only by the Grace of God. Hallelujah!

Prayer Requests: We ask the Holy Spirit to empower us in Guaymas to be able to transmit to the lost the Love of God with passion and boldness, to make disciples so they can make disciples and accomplish The Great Commission! Pray that the Lord puts the desire in people's hearts to go to Guaymas and give Him a month, 6 months, a year to work in both ministries (inside the prison and outside) as the Lord directs. Please also pray with us for a Youth Pastor that speaks Spanish and will give the Lord a year to serve in Guaymas.

JOHN & DEBBIE BOOKER

Making disciples in the Caribbean

Praise Reports: It's finally scheduled! Our first pastor's gathering will be November 28th with the leaders of Foursquare Haiti, and our first Pastors & Leaders Conference in more than five years will be in January 2024. They are excited! And so are we! Good things Happening in Haiti! Cuba is also scheduled! We will be introducing the new Jesus Disciple concept on our first visit since Covid!

Prayer Requests: Please pray with us for the coming Pastors Gatherings and the Foursquare Pastors and Leaders conference (Nov 28–Dec 1). Please also pray for local leaders in Haiti and the Caribbean, as they are talking with public leaders, officials, and church leaders—pray for favor as we see Jesus Disciple get introduced, launched, and the body of Christ mobilized and for revival to come throughout the Caribbean. Pray for teams and resources for Haiti this November, Cuba Feb 2024, Dominican Republic Apr 2024, and most importantly, pray with us that a revival of prayer and disciple-making will sweep through the Caribbean region.

TIMOTHY & BARBARA ODOM

Making disciples in the Caribbean

Praise Reports: Praise God for a good medical report for Tim! We also praise God for the ministry we have had happening with many young people around us.

Prayer Requests: Please pray with us for the two Jesus Disciple groups we have going on: one on Zoom with St. Lucia leaders and one in person with international students. Pray that we will all learn to be disciple-makers. Pray for four of our students who are graduating college in December and that our time with them will be effective before they return to their nation.

MIDDLE EAST

*Reaching people in the Middle East
(names redacted)*

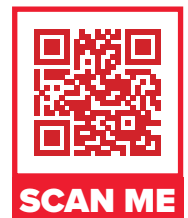

Praise Reports: Praise God he has brought medical breakthrough in our family. We have also had new opportunities with work that have allowed us to be together more—such a blessing! But we also have gained more time to develop ministry relationships with others. We have also had some breakthrough with our team bringing more ministry and partnership opportunities.

Prayer Requests: Please pray with us for a baby we will call “Billy” who was born with no left eye and an under-developed right eye. We are praying that his left eye be created, and his right eye be fully healed—for 20/20 eyesight. Pray for the family, that through this Jesus would touch their hearts. Pray for the right relationships to be built that will bring about a great harvest, through work and personal time.

Special Request: Please pray for our team in the Middle East. Though they are not in any danger, the things that are happening in Israel and Gaza are deeply impactful to everyone in the region. Pray that they would be led by God to pray, say and do the right things as they share God's love for the people they talk to. Father, thank you for your protection for our team. Please lead them by Your Spirit as they share the truth of the Gospel and the hope of Jesus with those around them.

PRAYER

Heavenly Father, we lift up our Rock Missions family to you right now. We pray that you would provide all that they need (Philippians 4:9) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).

Is God calling you to serve long-term on the mission field? Join us for a missions connection gathering!
