KEVIN & JESSICA HARKINS

Training leaders and making disciples in the South Pacific

Praise Reports: Our missions trip to Fiji was a huge success. The Holy Spirit showed up, and each of the team members shared with others. We had healings and deliverance for the people we prayed for, and the team was able to go door-to-door evangelizing. It truly was a blessed time. Also, our house church continues to grow, and God has led us to strategic partnerships here in Nelson.

Prayer Requests: Pray for Andrew's Visa to come through and for a great ministry support team to financially bless Andrew and Jennifer so they can continue to focus on ministry in New Zealand. Pray for the Lord to lead our team of young adults with wisdom and open doors for their next steps after they finish Missions Immersion. And pray for the Lord to go before the Harkins as they furlough for two months (April – June), to strengthen their relationships and establish new ones that will help support the ministry for the next five years.

Praise Reports: The Barbershop building is almost done and is set to open next month in Lodgegrass which is part of the Crow reservation. Nalu, our intern, is getting trained to manage the Coffee Shop before it opens in May. The pastors in South Dakota Reservation have agreed to become part of Foursquare and bring their church into the denomination.

Prayer Requests: We are planning a short term Missions trip to take Natives from the US to meet Indigenous groups in Brazil. Pray for God-strategies and wisdom on how to run the business efficiently and effectively as a Missions Coffee Shop and a Barbershop project. We will be traveling to all seven Montana reservations to pray over the land.

MIDDLE EAST

Reaching people in the Middle East (names redacted)

Praise Reports: We have recently celebrated a family member's birthday with local friends and family, which is such a blessing. We are also thankful that our city did not have much damage from recent storms.

Prayer Requests: During this month of Ramadan, with people's sensitivity to spiritual things, we ask for prayers to come alongside with us for divine connections to introduce ourselves and have opportunities to share the love of God. Following Ramadan comes Eid, which is a special time for connection. We ask for prayers for sensitivity to what the Lord is doing and how He is moving in the hearts and minds of local Muslims we connect with.

ELENA RAZO

Leading ministry in a prison and a local church in Guaymas, Mexico

Praise Reports: La Roca de Cristo finished 21 days of Prayer and Fasting praying for God’s favor, wisdom and understanding. Esmeralda, a young adult from the kids ministry, gave her first bible study during the midweek service. Praise God! The prison ministry is going strong, and praying and fasting together since January 1st, with the inmates going from one prison cell to the next to share the Word of God with people.

Prayer Requests: Please pray for the Lord’s wisdom, favor and mercies to be upon us, our ministries, and our city and our country, and for fruitful ministry in the prison and in the city church.

Praise Reports: Though Haiti has been closed to international flights, we have been able to reschedule our pastors’ gathering and missions trip to October 20. We are also excited to go to Cuba on April 23-29 to launch Jesus Disciple!

Prayer Requests: Please pray for Haiti, for protection for the pastors and leaders there, for wisdom for the Church as they navigate dangers and food shortages, for intervention to stop gang leaders and criminals, and for God to move. Please also pray for Cuba, and for Pastor Mayra there, as they prepare to launch Jesus Disciple in Cuba! Please also pray for us, that we would have the support that we need, and that God would move in the Caribbean.

TIMOTHY & BARBARA ODOM

Making disciples in the Caribbean

Praise Reports: We have been able to minister to two different international students, to encourage them to hear from Jesus, and they are both now journaling and seeking God. We have also had some successful ministry to some kids about hearing God speak.

Prayer Requests: Pray that the kids will prioritize their time for reading the Bible and praying. Pray for us as we’ve been asked to write a kids curriculum for various holidays throughout the year. We’re asking the Lord to emphasize through the curriculum what He emphasizes in His Word. We’ve also been teaching an adult bible study on giving and receiving. Pray that we speak with boldness the truths found in His word, and for us as we minister love to two of our grandchildren coming to visit us this month.

PRAYER

Heavenly Father, we lift up our Rock Missions family to you right now. We pray that you would provide all that they need (Philippians 4:9) and that you would strengthen them so that they will not grow weary, but will reap a great harvest (Galatians 6:9). We thank you for the amazing plans that you have for them (Ephesians 2:10), and the harvest that you have called them—and us—to (Matthew 28:18-20).

We ask that you would continue to watch over them day and night, shield them from any dangers, and hide them from the plans and schemes of the enemy (Psalm 3, 23, 91). We ask for your favor, to grant them access to key places You know they need to be in, and to open doors for them that only You can (Revelation 3:7). We ask this in the mighty name of Jesus—Amen!
