**GO... AND MAKE DISCIPLES**  
MATTHEW 28:18–20

**Dear Church Family,**

As you probably know, we have had the privilege of sending missionaries around the world and supporting them in their mission. Our amazing **Missionary Care Team** is regularly in contact with them, helping us—as a church family—to partner with them. Included here are the praise reports and prayer requests **our** missionaries have sent back **to us**.

We want to **invite you to pray with us**, as our team regularly does, as we **celebrate** what God is doing, and lift up the **requests** of our beloved Rock Missionaries and Solid Lives Missionaries that we are partnered with.

If you would like to support our missionaries financially, to find out more about what we are doing, or to join the team, please visit **therockmissions.com**.

**Reaching the world together,**

Zach & Miry Patterson  
*Missions Directors*

## LET'S PRAY TOGETHER!

### **YASEER & MONIQUE HANDALL – NATIVE AMERICA (USA)**

*Discipling people in Native American Reservations.*

**Praise Reports:** Let's praise God for a safe ministry trip to North Africa, where for the first time they were able to take two of their students. They are also continuing to have great ministry outreach across the United States.

**Prayer Requests:** Please pray for the families of two of their mentors, as Brian Bright Cloud and Larry Grizz Brown just passed away last month. Please also pray for all of the funds for their upcoming camp Native American family camp in Montana.

### **PASTOR ELENA RAZO — GUAYMAS (MEXICO)**

*Leading ministry in a prison and a local church in Guaymas.*

**Praise Reports:** Praise God that their first house church service just happened (Saturday, April 30), and also for an amazing outreach during the children's festival (April 23) where they were able to give out over 150 toys, donated by our Rock church family!

**Prayer Requests:** Please pray for God's continued favor for the new house church starting at El Arroyo, for protection for Pastor Elena as she comes to visit the States in May, and also for a missionary trip to be assembled to come and lay flooring in the church.

## ***NAMES REMOVED FOR SECURITY – MIDDLE EAST***

---

*Reaching people in the Middle East.*

**Praise Reports:** Praise God they were recently able to have a visit from family, which was such a blessing! And they are continuing to have amazing opportunities to share with others in their area.

**Prayer Requests:** Please pray for protection, and that as they share with others in their city, that they would be hungry and ready to receive. Please also pray for those they are in conversation with to be strong to break past the fear of talking with them about hope in Jesus.

## ***KEVIN & JESSICA HARKINS – SOUTH PACIFIC***

---

*Training leaders to use OSL discipleship in the South Pacific.*

**Praise Reports:** They had a great Easter gathering with their neighbors, and had many conversations about faith—praise God! They also had a great prayer and scouting trip to a city where they plan to plan a church next year.

**Prayer Requests:** Please pray for wisdom in planning their trip back to the States this summer, and for opportunities to share Jesus with their neighbors. Please also pray for the South Pacific Nations to reopen to travel, and for the successful launch of OSL in Singapore.

## **JOHN & DEBBIE BOOKER – CARIBBEAN**

---

*Training leaders to use OSL discipleship in the Caribbean.*

**Praise Reports:** Praise God that outreach is continuing in Haiti, including the donation of many food and relief aid packs. Covid hospitalizations are down, and hope is on the rise among the people—praise God!

**Prayer Requests:** Please pray for continued favor as outreach continues throughout the Caribbean, including bringing OSL Discipleship to the nations (Tim and Barbara Odom). Please also pray for continued favor with government leaders throughout the region, especially Haiti, as relief aid and the gospel are desperately needed among the people.
